By-Laws

The By-Laws of this club are the rules adopted by members to regulate the activities and functions of this organization. The By-Laws may be amended by addition, deletions, or modification by proper motion and vote at regular club meetings as outlined by Article V, Section 1 and 2. A simple majority vote is required by the members present. The By-Laws are as follow:

- 1.** No member may participate in any club activities unless that member is in good standing.
- 2.** All official communications, program costs, and official debts authorized by the club will be paid by the club Secretary/Treasurer.
- 3.** Yearly dues shall be outlined in the club constitution. The annual club dues shall include an entry fee into the “Big Bass of the Year” pot. This fee is kept separate in treasury funds each year. Dispersal of other funds from annual club dues shall be described in subsequent by-laws.
- 4.** Once a year, the club’s Top Six fishermen will be recognized.
 - a.** The Top Six Fishermen, based on a calendar year of January through December will be awarded plaques/trophies, and the top finisher shall be designated Angler of the Year. These six anglers shall also represent the club at a prestige tournament.
 - b.** Alternates or additional participants for a prestige tournament shall be chosen by order of annual point system finish starting with number seven, and continuing until enough anglers are found to represent the club.
- 5.** The Top Six anglers will be determined based on the following point system:
 - a.** Ten (10) points for attending monthly club meetings and designated club functions, with a maximum of one-hundred-twenty (120) “show points” per year.
 - b.** Twenty (20) points for fishing monthly point tournaments if no fish are weighed, and therefore no placing awarded.
 - c.** One-hundred (100) points for 1st place in the club’s monthly point tournament with two (2) points less awarded for each succeeding place (i.e.: 98 points for 2nd, 96 points for 3rd, and etc.).
 - d.** A member may invite a guest to fish in the club member’s (or guest’s) boat during any tournament conducted by the Bryan Bass Club. Guest, to be eligible for awards, shall pay an entry fee to the tournament director for that tournament, and will not be eligible for the big bass pot. The guest will receive no points in the club standings. A particular guest may be invited only two times in a year.
- 6.** In addition to finishing in the Top Six in total points, anglers must fish a minimum of seven (7) point tournaments during the twelve (12) month period to qualify for recognition.
- 7.** Top Six points shall be calculated as follows: A member’s top nine (9) Tournament point totals (out of 12) shall be retained. The three (3) lowest Tournament point months shall be discarded from the members point total. In case there are any ties in the final standings of the year, the following succession of tie-breakers will be used: 1) The individual with the highest total weight of bass in the nine counted tournaments will break the tie, or 2) tie remaining, the individual with the largest stringer, or 3) tie remaining, flip a coin. Meeting rosters and monthly tournament rosters shall govern the assignment of “show points.” Designated club function “show points” will be applied toward top-six point system calculations by replacing, in earliest order, any missed meeting points occurring within the same calendar year. A club event becomes a designated club function for this purpose by a majority vote at any monthly club business meeting occurring before the event. The vote shall include what participation is required for the event, and a minimum of three events will be designated each year.

8. The qualifying angler who catches the “Big Bass of the Year” shall be awarded prize money in the amount equal to the “Big Bass” yearly entries. In addition to prize money, this angler shall be awarded a trophy recognizing their achievement.

9. The club shall assist in paying expenses to a minimum of one (1) prestige tournament per year as mentioned in By-Law 4 (example: a B.A.S.S. Federation Nation championship). Funds for these expenses shall come from the club treasury, with the amount of assistance to be determined by majority membership vote at a regular monthly club business meeting. These funds shall be the primary usage of at least 50% of the previous paid yearly club dues. These dues shall be kept in a separate annual fund in the club treasury.

10. Membership of any member may be terminated at any time by the President with just cause. An appeal may be made to an appeal board chosen by the President. Upon completion of the board’s investigation, a recommendation to the club at a regular meeting shall be voted on by the members present. This vote shall determine if the member shall remain part of this organization. The most common reasons for loss of membership include, but are not limited to the following:

- b.** The President shall request discussion and nominations for tournament lake, tournament launch/weigh-in site, and daily tournament start/stop times at a monthly club business meeting prior to each tournament weekend date. The membership, by majority vote, shall approve the tournament lake, site and times for that weekend date.
- c.** The Tournament Director has authority to enforce general and annual tournament rules at all tournament sites.
- d.** Anglers may fish either or both tournament days on the tournament weekend, but total weight awarded will be the best single day catch.
- e.** All entry fees must be paid prior to the start of the tournament, unless previously arranged with the Tournament Director. Prepaid members, unable to attend, can request an entry fee refund or transfer only by contacting the Tournament Director prior to the start time of the first tournament day.
- f.** The monthly entry fee for members shall be fifteen dollars (\$15) with a Big Bass Pot of five dollars (\$5) for a total of twenty dollars (\$20). Guests and associates pay only the entry fee (\$15) to be eligible for place prize money; they are not eligible for big bass money. Fourteen dollars (\$14) of the entry fee will be returned as three place prize money. The remaining one dollar (\$1) goes to the club treasury in an annual fund for expenses outlined in By-Law 9. Four dollars (\$4) of the Big Bass Pot will be paid as prize money for that tournament. The remaining one dollar (\$1) will go to the club treasury in an annual fund for expenses outlined in By-Law 9.
